Sir:

In accordance with the requirements of M.P.E.P. § 711.03(c), Applicants petition to revive this application which was unintentionally abandoned. The entire delay in filing the required reply from the due date for the required reply until the filing of a Grantable Petition under 37 CFR § 1.137(b) was unintentional.

A grantable petition requires:

- (1) the petition fee, which is enclosed herewith;
- (2) the reply to the Office Action dated June 27, 2005, with said reply being filed March 14, 2007;
- (3) a Terminal Disclaimer, if required; however, one is not for this application, since this is a utility application filed after June 8, 1995; and
- (4) a statement that the entire delay was unintentional, which is given above.

Docket No.: 198966US28
Petition for Revival of an Application for Patent Unintentionally Abandoned

Therefore, since all of the conditions are believed to have been met, revival of this application is earnestly requested.

The undersigned petitioner declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing therefrom.

A prompt and favorable action upon this request is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
